Achella Design Studio represents the work of Christopher and Alyssa Panichella. After graduating from Rochester Institute of Technology, he in Industrial Design and she in Graphic Design and Communication, they settled in Southern California. After several very productive years working at separate firms, Achella Design Studio was formed in 2006. Specializing in product & graphic design consultation, with an emphasis on production furniture design, Chris has since been awarded several ADEX Design Excellence Awards as well as a Best of Neocon for his furniture designs.

Danish designer **Mads Odgård** brings his vision to the Signature collection. "Design should be human and logical in form." Odgård, a product designer since 1988, is the winner of numerous awards, including Red Dot Germany and prestigious German Design Council Award. His work has been shown at the Charlottenborg Fall Exhibition in Copenhagen, and in the Danish Museum of Art & Design.

“THE NEW BESEK COLLECTION ALLOWS YOU TO CHOOSE BETWEEN WEATHER-RESISTANT METAL OR RICH NATURAL RATTAN FRAMES. THE STRONG STRUCTURAL ELEMENTS ARE CONTRASTED WITH THE FLUID FORM OF THE CHAIRS AND MATCHING TABLE.”
