ABOUT US

Welcome to **Equator Jingga**, where we have been providing exquisite rattan and wood furniture from Indonesia to the world since 1998.

Over time, we have expanded our product range to include new materials such as synthetic wicker, stainless steel, aluminum frames and durable fabrics, suitable for both indoor and outdoor use, adapting to changing trends and demands in our key markets. Not forgetting our roots, we still incorporate natural materials such as teak, abaca, and rattan with various eco-friendly finishes, and woods sourced from certified wood plantations.

Our extensive collection now includes chairs, tables, chaise lounges, casegoods, and upholstered items. Each piece offers a contemporary feel while still maintaining the attention to detail that comes with handcrafted furniture. For designers and buyers with specific preferences, we offer custom-designed pieces, which we produce to meet their exact requirements.

We take pride in delivering excellent quality and service and are delighted to collaborate with **Asanka Studio** to create a stunning collection.

Asanka Studio is a furniture design consultant whose gratefully collaborate with **PT. Equator Jingga** and succeeded to emerge 3 furniture designs collection.
